

Serial No. 10/800,179

Docket No. DOC 0057 PA/DC5074/GC792-4

Amendment to the Specification

Please consider and enter the following amendment to the Specification.

Please add the following new section and paragraph immediately below the section entitled "ELATED APPLICATION."

STATEMENT OF JOINT RESEARCH AGREEMENT

The present invention, as defined by the claims herein, was made by parties to a Joint Research Agreement ("agreement" between Genencor International, Inc. and The Dow Corning Corporation.
